### SAKEN

Informationsföreläggande enligt upphovsrättslagen

M.I.C.M. MIRCOM International Content Management & Consulting LTD  
(MIRCOM) ansökte 26 juli 2017 om att Patent- och marknadsdomstolen vid  
vite ska förelägga Telia Sverige AB (Telia) att ge MIRCOM information om namn,  
adress och personnummer till personer som var registrerade hos Telia som användare  
av angivna IP-adresser vid den tidpunkt som framgår av bilaga 1 (aktbilaga 2).  
Sökanden begärde dessutom att domstolen, för tiden intill ärendet avgjorts eller annat  
beslutats, vid vite skulle förbjuda Telia att förstöra informationen som omfattandes av  
yrkandet om informationsföreläggandet.

Postadress	Besöksadress	Telefon	Telefax	Expeditionstid
Box 8307 104 20 Stockholm	Rådhuset, Schelegatan 7	08- 561 654 70 <b>E-post:</b> stockholms.tingsratt@dom.se www.stockholmstingsratt.se	08- 561 650 05	måndag – fredag 08:00–16:00

Ansökan gjordes för utredning om annan än Telia gjort intrång i sökandens rätt.

Patent- och marknadsdomstolen beslutade den 2 augusti 2017 att, för tiden intill dess frågan avgjorts, vid vite förbjuda Telia att förstöra information om namn, adress och personnummer till de som var registrerade som användare av IP-adresserna.

Telia har överlämnat frågan om ansökan ska bifallas till domstolens bedömning, utom såvitt avser information om personnummer, vilket bolaget inte har medgett att ge ut. Telia har anfört att namn och adress är tillräckligt för att identifiera abonnenten bakom en IP-adress och nå denne med brev samt att personnummer typiskt sett är en mer integritetskänslig uppgift än uppgifter om namn och adress.

Efter genomgång av handlingarna i ärendet meddelar Patent- och marknadsdomstolen följande

## **BESLUT**

1. Patent- och marknadsdomstolen beslutar att Telia Sverige AB att, vid vite av 200 000 kr, ska ge M.I.C.M. MIRCOM International Content Management & Consulting LTD information om namn och adress till de som var registrerade som användare till i bilaga 1 (aktbilaga 2) angivna IP-adresser vid den tid som anges vid varje IP-adress. Beslutet gäller inte för information om personnummer.
2. Informationen enligt p. 1 ska lämnas senast en månad från det att detta beslut vunnit laga kraft.
3. Patent- och marknadsdomstolens beslut den 2 augusti 2017 om säkerhetsåtgärd ska bestå.

-----

**SKÄL***Rättsliga utgångspunkter*

Av 53 c § upphovsrättslagen (1960:729) framgår att om en sökande som har rätt att utnyttja ett filmverk, exv. en licenstagare, visar sannolika skäl för någon har gjort ett intrång i ett upphovsrättsligt verk får domstol på yrkande av denne vid vite besluta att bl.a. den som i kommersiell skala har tillhandahållit en elektronisk kommunikationstjänst ska ge sökanden information om ursprung och distributionsnät för de varor eller tjänster som intrånget gäller (informationsföreläggande). Sådan information kan särskilt avse namn och adress.

Ett sådant beslut kan innebära att en internetleverantör ska ge sökanden information om vilken abonnent som hade en viss IP-adress när den har använts för att olovligen tillgängligöra eller kopiera ett upphovsrättsligt skyddat material via internet (prop. 2008/09:67 s. 263).

Som framgår av lagbestämmelsen krävs att sökanden visat sannolika skäl för att någon har gjort ett intrång i annans upphovsrättsliga ensamrätter och att sökanden har rätt att använda ensamrätterna. Vad sökanden måste visa är sålunda att det finns sannolika skäl för dels ensamrätternas existens och att de tillkommer sökanden, dels för att intrång i ensamrätterna har förekommit. Det krävs däremot inte att den som gjort intrång är identifierad. Det krävs inte att intrånget har begåtts uppsåtligen eller av oaktsamhet. Det är tillräckligt att det föreligger sannolika skäl för att det i objektiv mening har begåtts ett intrång (a. prop. s. 149 ff. och s. 259).

Ytterligare förutsättningar för att ett informationsföreläggande ska få beslutas är att den begärda informationen kan antas underlätta utredningen av intrånget och att beslutet framstår som proportionerligt.

En ansökan om informationsföreläggande är av s.k. indispositiv karaktär. Det betyder att domstolen alltid ska göra en självständig prövning av om beviskravet och kravet på proportionalitet är uppfyllt (a. prop. s. 259).

*Filmverk – har MIRCOM rätt att använda filmverken?*

Ärendet rör ett antal filmverk med titlar som anges i bilaga 1 (Original DVD Title). Filmerna har – enligt vad framgår av företedda DVD-omslag – producerats av fem filmbolag. Bolagen har, enligt vad som angetts, upphovsrätten till filerna. Bolagen har, enligt licensavtal, upplåtit rätt för MIRCOM att förfoga över filerna samt att beivra intrång i upphovsrätten till filerna.

Enligt Patent- och marknadsdomstolen ger den presenterade utredningen tillräckligt stöd för att anse filerna som verk i upphovsrättslig mening och att upphovsrätten till dem tillkommer filmbolagen.

MIRCOM har företatt licensavtal med produktionsbolagen utvisande att MIRCOM bl.a. får beivra i rätten till filmverken.

*Sannolika skäl för att någon har gjort ett intrång i ensamrätterna till filerna?*

MIRCOM har gjort gällande att det föreligger sannolika skäl för att intrång skett i MIRCOMs ensamrätter till filmverken. Intrånet har skett genom att filmverken har gjorts tillgängliga för allmänheten genom överföring vilket har skett olovligen och utan tillstånd från vare sig MIRCOM eller de ursprungliga rättighetshavarna.

MIRCOM har gjort gällande att detta skett genom att abonnenter hos Telia, med användande av s.k. BitTorrent-teknik via internet, såväl olovligen överfört (laddat upp) filmer som olovligen kopierat (laddat ner) filmer, dvs. genom s.k. olovlig fildelning samt att detta tillgängliggörande skett till en obegränsad krets. Telia är en internetleverantör och tilldelar sina kunder (abonnenter) en särskild IP-adress som

används vid internetanvändningen. Telia tillhandahåller de kommersiella IP-adresser som har identifierats genom den utredning som anförts av MIRCOM.

MIRCOM har företett en lista med IP-adresser och tidpunkter för när olovlig fildelning med BitTorrent-teknik påstås ha skett. Sökandena har förklarat att insamlingen av uppgifterna har gjorts, med ett särskilt datorprogram, av ett företag som specialiserat sig på insamling av uppgifter rörande upphovsrättsintrång med användande av BitTorrent-teknik. Dessa uppgifter ger, enligt domstolen, ett tillräckligt underlag för tillförlitligheten av den metod som används vid insamlingen av uppgifterna.

Vad nu sägs leder till slutsatsen att det finns sannolika skäl för att de av sökandena angivna filmverken genom överföring till allmänheten gjorts tillgängliga från de IP-adresser som ansökan avser och att exemplar av verken framställts.

*Underlätta utredningen?*

Det kan, enligt Patent- och marknadsdomstolen, i vart fall antas att information begärd om innehavarna av angivna IP-adresser underlättar utredningen om påstått intrång.

*Proportionalitet?*

Frågan blir då att bedöma om skälen för att besluta om ett informationsföreläggande uppväger den olägenhet eller det men som åtgärden innebär för användaren av IP-adressen.

Det ankommer på domstolen att i varje enskilt fall göra en avvägning mellan skälen för ett informationsföreläggande och de olägenheter som åtgärden kan medföra, bl.a. effekterna för den enskildes integritet, särskilt sett med beaktande av reglerna om tystnadsplikt för abonnentuppgifter enligt reglerna i lagen (2003:389) om elektronisk kommunikation. Det innebär att det krävs att det är fråga om intrång av en viss

omfattning för att rättighetshavaren ska kunna få ut uppgifter om abonnent som finns bakom ett IP-nummer som används vid intrång.

Intrång som avser tillgängliggörande för allmänheten av en film, av musik eller av litterära verk genom fildelning anses i regel ha viss omfattning, eftersom det typiskt sett kan innehåra stor skada för rättighetshavaren (NJA 2012 s. 975 och a. prop. s. 264).

Patent- och marknadsdomstolen har, enligt vad som tidigare sagts, funnit att det finns sannolika skäl för att intrång har skett. I detta fall omfattar intrånet ett flertal filmverk vilka olovligen fildelats vid ett stort antal tillfällen. Rättighetshavarnas intresse av att kunna fortsätta att utreda de påstådda intrången får därför anses väga tyngre än den enskilde användarens intressen. Frågan blir då i detta fall om rättighetshavarens intresse även kan motivera att Telia åläggs lämna ut information om abonnenternas personnummer.

#### *Information om personnummer?*

Som ovan anförs är ett informationsföreläggande en förberedande åtgärd som syftar till att möjliggöra en senare rättegång mot intrångsgöraren. Föreläggandet är närmast en typ av säkerhetsåtgärd och ska *underlätta identifiering* av intrångsgöraren. Den information som kan erhållas med stöd av bestämmelsen är tänkt att framförallt underlätta för rättighetshavaren att identifiera en intrångsgörare. När så skett kan det krävas ytterligare åtgärder för att rättighetshavaren ska kunna föra en talan mot intrångsgöraren (a. prop. s. 149).

Ordalydelsen i 53 c § tredje stycket upphovsrättslagen angående vilka uppgifter – i detta fall vissa personuppgifter – som ska utlämnas inom ramen för ett informationsföreläggande är endast exemplifierande.

Vilken information som ska utlämnas styrs istället – enligt Patent- och marknadsdomstolen – av syftet och funktionen med informationsförelägganden, dvs. rättighetshavarens intresses av att kunna utreda de påstådda intrången, och av en proportionalitetbedömning där behovet av åtgärden ska vägas bl.a. mot effekterna för den enskildes integritet.

För inhämtande och användning ("behandling") av just personnummer finns särskilda regler till skydd för den enskildes integritet. I 22 § personuppgiftslagen (1998:204) anges att personnummer får behandlas utan samtycke bara om det är klart motiverat med hänsyn till ändamålen med behandlingen, vikten av säker identifiering eller något annat beaktansvärt skäl.

Regleringen i 22 § personuppgiftslagen kan – enligt domstolen – inte anses vara ett hinder för att en sökande ska få information om personnummer för att säkerställa säker identifiering vid utredning och genomförande av en intrångstalan. Fördelen med personnummer består i att numret är enhetligt och för varje person ett unikt identifieringsbegrepp. Användningen av personnummer kan vara ett hjälpmedel för att undvika personförväxlingar, vilket är av betydelse ur ett rättssäkerhetsperspektiv och i den meningen kan identifiering med användning av personnummer innehåra ett skydd för den personliga integriteten. Detta innebär dock inte med nödvändighet att det ska åligen en internetleverantör att lämna ut personnummer inom ramen för ett begärt informationsföreläggande.

Personnummer ses som särskilt integritetskänslig information som inte ska behandlas i vidare mån än vad som är nödvändigt i förhållande till de ändamål bakom varför personnummer behandlas och därmed även ändamålen för varför personnummer ska eller kan överlämnas till en annan part. MIRCOM har i detta fall framhållit att det föreligger förväxlingsrisk då personer flyttar och byter adress eller då det är fler personer med liknande namn på samma adress. Det är av domstolens uppfattning att det underlag i form av personuppgifter som vanligen lämnas ut inom ramen för ett informationsföreläggande – namn och adress, sammankopplat med tidpunkt och IP-

adress som sökanden redan har – är tillräckligt för att underlätta en identifiering av intrångsgöraren i enlighet med ändamålet bakom bestämmelsen om informationsföreläggande. Genom den initiala identifieringen med namn och adress från internetleverantören har rättighetshavaren möjlighet att genomföra vidare utredning och har därigenom även möjlighet att erhålla ytterligare information rörande den potentielle intrångsgöraren från andra källor. Det bör även beaktas att det torde vara möjligt att minska förväxlingsrisken genom mindre ingripande åtgärder än att ålägga en internetleverantören att utge abonnenternas personnummer.

*Slutsats m.m.*

Bedömningarna i fråga om sannolika skäl, underlättande av utredning och proportionalitet leder till att MIRCOMs ansökan om informationsföreläggande ska bifallas vad avser namn och adress till abonnenterna till de IP-adresser som ärendet rör. Ansökan om informationsföreläggande vad gäller personnummer till de aktuella abonnenterna ska däremot inte bifallas.

Att ta fram uppgifterna får sägas innehåra arbetsuppgifter som kräver särskild noggrannhet med avseende på att felaktiga uppgifter inte lämnas ut och på den integritetshänsyn som gör sig gällande. Med hänsyn härtill finner domstolen att Telia ska lämna informationen enligt förläggandet senast inom en månad från att detta beslut vunnit laga kraft.

Domstolens beslut om säkerhetsåtgärd bör bestå i avvaktan på detta beslut vinner laga kraft.

# SVERIGES DOMSTOLAR

## ANVISNING FÖR ÖVERKLAGANDE - BESLUT I ÄRENDE (prövningstillstånd krävs)

Den som vill överklaga Patent- och marknadsdomstolens beslut ska göra detta skriftligen.

**Skrivelsen ska skickas eller lämnas till Patent- och marknadsdomstolen.** Överklagandet prövas av Patent- och marknadsöverdomstolen.

Överklagandet ska ha kommit in till Patent- och marknadsdomstolen **inom tre veckor** från beslutets datum. Sista dagen för överklagande finns angiven på sista sidan i beslutet.

För att ett överklagande ska kunna tas upp i Patent- och marknadsöverdomstolen fordras att **prövningstillstånd** meddelas. Patent- och marknadsöverdomstolen lämnar prövningstillstånd om

1. det finns anledning att betvivla riktigheten av det slut som Patent- och marknadsdomstolen har kommit till,
2. det inte utan att sådant tillstånd meddelas går att bedöma riktigheten av det slut som Patent- och marknadsdomstolen har kommit till,
3. det är av vikt för ledning av rätts-tillämpningen att överklagandet prövas av högre rätt, eller
4. det annars finns synnerliga skäl att pröva överklagandet.

Om prövningstillstånd inte meddelas står Patent- och marknadsdomstolens avgörande fast. Det är därför viktigt att det klart och tydligt framgår av överklagandet till Patent- och marknadsöverdomstolen varför klaganden anger att prövningstillstånd bör meddelas.

**Skrivelsen med överklagande ska innehålla uppgifter om**

1. det beslut som överklagas med angivande av Patent- och marknadsdomstolen samt dag och nummer för beslutet,
2. parternas namn och hemvist och om möjligt deras postadresser, yrken, personnummer och telefonnummer, varvid parterna benämns klagande respektive motpart,
3. den ändring av Patent- och marknadsdomstolens beslut som klaganden vill få till stånd,
4. grunderna (skälen) för överklagandet och i vilket avseende skälen för beslutet enligt klagandens mening är oriktiga,
5. de omständigheter som åberopas till stöd för att prövningstillstånd ska meddelas, samt
6. de bevis som åberopas och vad som ska styrkas med varje bevis.

Har en omständighet eller ett bevis som åberopas i Patent- och marknadsöverdomstolen inte lagts fram tidigare ska klaganden förklara anledningen till varför omständigheten eller beviset inte åberopats i Patent- och marknadsdomstolen. Skriftliga bevis som inte lagts fram tidigare ska ges in samtidigt med överklagandet. Vill klaganden att det ska hållas ett fönyat förhör eller en förnyad syn på stället, ska han eller hon ange det och skälen till detta. Klaganden ska också ange om han eller hon vill att mot parten ska infinna sig personligen vid sammanträde i Patent- och marknadsöverdomstolen.

Skrivelsen ska vara undertecknad av klaganden eller hans/hennes ombud.

Ytterligare upplysningar lämnas av Patent- och marknadsdomstolen. Adress och telefonnummer finns på första sidan av beslutet.

Om ni tidigare informerats om att förenklad delgivning kan komma att användas med er i målet/ärendet, kan sådant delgivningssätt också komma att användas med er i högre instanser om någon överklagar avgörandet dit.
