13.10 Bahnhof is also entitled to terminate the Agreement with immediate effect if the Customer is in substantial arrears with payment or is guilty of repeated payment delays that are not minor. Thereafter, Bahnhof will notify the Customer whether the Service can be delivered to the Customer's new address. Bahnhof accepts no responsibility for any interruption in the delivery of the Service in connection with the change of delivery address due to the fact that Bahnhof has received the necessary information from the Customer too late.

15.5 Bahnhof reserves the right to charge a special relocation fee.

15.6 If the Customer has a remaining commitment period on the Agreement and moves to another address, Bahnhof is entitled to charge a final fee corresponding to the remaining charges during the commitment period.

- 16.4 Changes in fees must be announced at least 30 days in advance. - 16.5 Bahnhof has the right to make changes to the Service without notifying the Customer that do not significantly affect the functioning of the Service or are solely for the benefit of the Customer.

### 17 Force majeure

- 17.1 The Party shall be exempt from liability, damages and other sanctions if the performance of a particular obligation is prevented or substantially impeded by a circumstance beyond the reasonable control or foreseeable control of the Party.
